Year 8 students at Springbank Secondary College in 2027 with a Special Options enrolment will continue to access a personalised curriculum designed to support their individual learning needs, strengths and aspirations. **Core subjects** will be delivered within a **1:12 learning environment**, providing students with targeted support, adjustments and teaching strategies to maximise their engagement, progress and achievement.

| <b>Core Subjects</b>                  |
|---------------------------------------|
| English - Year                        |
| Mathematics - Year                    |
| Science and Digital Technology - Year |
| Humanities and Social Sciences - Year |
| Literacy and Numeracy - Year          |

As part of their learning program, students have the opportunity to undertake **four elective subjects** within a **mainstream setting**. This provides opportunities for students to explore their interests, develop new skills and engage with a broader range of learning experiences alongside their peers.

**STEP 1:** Select **6 elective subjects**, including two reserves, by **labelling 1, 2, 3, 4, 5, and 6 in order of preference** on the table below, e.g. 1 being the subject you want to do most and 6 the subject you want to do least.

| <b>Elective Options</b>              | <b>Preference</b> |
|--------------------------------------|-------------------|
| Health and Physical Education        |                   |
| Food and Hospitality                 |                   |
| Material Solutions (Wood Technology) |                   |
| Drama                                |                   |
| Music                                |                   |
